## ORIENTATION PROGRAMME

In the beginning of the academic session, students need to be made acquainted to their surroundings in the campus. This includes introductory sessions, giving them an overview of the college, the syllabus, the rules and regulations mandated for each student in a particular college. It is an essential period at the beginning of the academic session which allows the students to get settled in their new environment. This is the most essential aspect of an orientation programme in institution, irrespective of the nature of the course. Students need to be made aware of the social & environmental aspects of the institution line to maintain plastic free green campus, sensitize gender issues, anti-ragging norms etc. Satya Ranjan College conducts orientation program every year before starting an academic session. The college organizes orientation programs on “CBCS system” to understand the course structure and syllabus in a better way.
