

## **SATYA RANJAN COLLEGE**

### **Policy on Scholarship and Free-ship**

#### **Introduction**

Satya Ranjan College is located in the heart of Kalain area and the maximum students of the nearby surrounding villages come to study in this institution. Since most of them are from village, they belong to economically weaker sections of the society and unable to go to other places for higher education. So, the college feels a huge responsibility of providing higher educational opportunity to these students. The college will always try to provide the scholarships and free-ships to the eligible students irrespective of their gender, castes, religion etc.

#### **Objective**

- To support the students in their attempt for higher education.
- To provide financial assistance through various scholarship and free-ships provided by the Govt. from time to time to a maximum number of eligible students.

## **Implementation**

The college will provide all the scholarship and grants schemes to the students that come from time to time. All the necessary information will be circulated and documents will be collected timely from the students to give the benefits of scholarship to a maximum number to eligible students without any distinction & following the guidelines of the scheme. The College will also provide the free ship like fee-waiver scheme of the Govt. of Assam for those students coming from BPL category during the admission time. All the documents will be checked and verified thoroughly by the office-staff. If a student violates any term and condition of the scholarship, the scholarship may be suspended or cancelled immediately without any prior notice. This policy will benefit both the students and their guardians and they will be able to provide for themselves higher studies with less financial burden.

## **Conclusion**

The scholarship and frees-hips policy of the institution will support many students in their education. The Policy will not only encourage them but also create a ray of hope for job and employment after completing their studies. This policy also compliments the mission and vision of the college of helping the needy students.
