

SATYA RANJAN COLLEGE, KALAIN

Institutional Perspective Plan

Prepared by IQAC, 10th January 2017

INSTITUTIONAL PERSPECTIVE PLAN

SATYA RANJAN COLLEGE

Satya Ranjan College was established in the year 1992 with the sole aim of providing higher education to the students of Kalain and in and around Kalain vicinity. The students of this area mostly hail from economically poor families and as such they are unable to provide for themselves the educational expenses outside Kalain. The distances of such outside educational institutions are also another obstacle for the Kalain students in acquiring higher education. Hence, Satya Ranjan College, has been playing an active part in imparting knowledge and education for more than three decades. The motive is not only to provide education but also personality and moral upliftment as a whole. Along with syllabus education, several extra-curricular are also imparted in the college.

The college got its affiliation to Assam University in 1995-96 and presently offering B.A in General-Programme in 8 subjects viz., Bengali, Economics, Arabic, English, History, Political Science, Manipuri, and Philosophy as well as B.A in Hons-programme in 3 subjects viz- Economics, Bengali and Political-Science.

Presently, there are 19 teaching faculties viz- 6 Assistant Professor (permanent) and 13 Non-permanent Assistant professors in various departments in the college (13 Male+06 female). And 12 (permanent) non-teaching staffs (10 Male+02 Female). It has also 01- Assistant Librarian (permanent) and 01 Library Assistant (permanent).

The College is located in a rural campus occupying about 5.15 acres land in Kalain area of Cachar District of Assam. The College is functioning under the leadership of the Governing Body and guiding the society with a clear vision.

Since the establishment, the college boast itself in producing the finest students who are now absorbed in different jobs both public and private

sectors. Not only that, even these students are engaged in various social works through some NGOs or other organisations.

The college mission does not stop here. The college aims to strive towards academic excellence, research progression, skill-development of students, faculty development, administrative reforms, infrastructural development and many more in coming days. The College is determined to become a pioneer institution of higher education in the state of Assam.

Institutional Information:

Name of the college:	Satya Ranjan College
Address	: Brahmangram, College Road, Kalain, District-Cachar, Assam, Pin- 788815
Year of establishment:	1992
Affiliated to	Assam University, Silchar (www.aus.ac.in)
Type of institution	Provincialized in 2013
Type-	Co-education
Stream-	Arts
Course-	Three year under-graduate degree course.
Website:	http://www.srcollege.ac.in
Email-	srcollege77@gmail.com
Principal-	Dr. Bijit Goswami
Vice-Principal	Mrs. Shipa Choudhury
IQAC Coordinator	Dipankar Das

VISION

- To impart higher education for all sections of the society, especially to the under privileged section and strengthening the Socio-economic base of the surrounding area through quality higher education.

MISSION

- To increase the accessibility to higher education and act as a catalyst of social transformation by spreading education for all & especially to the marginalized segments of the society.
- Maximizing efforts for grooming young energetic human resources to achieve excellence in academic, cocurricular and community-oriented exercises.
- Fostering intellectual growth, aesthetic appreciation, and character development in our students by instilling a high sense of dedication and discipline in the mind of the students.
- Developing Human resources to capacity building individuals by providing Qualitative, innovative, and responsive education for all to acquire life oriented, value based and career-oriented education, so that they become self- respectful, self-confident, and self-dependent in the changing world.
- To produce able citizens who can take up national responsibilities and provide leadership in the various walks of life in the best interest of the nation.
- To evolve and improve the teaching learning pedagogy to optimise academic achievement.

CORE VALUES:

The College is guided by the core values of

- Commitment, Discipline, Hard work, Honesty, Punctuality, Moral and Ethical values.
- Equal opportunity for all sections.
- Gender sensitization and encourage women in all activities.
- Transparency
- Team work
- Decentralization of power and democratic outlook in decision making process.
- Develop nationalistic outlook.

STRENGTHS:

- The college has a visionary management team to lead the institution towards achieving higher academic excellence.
- Satya Ranjan College is approximately 200 meters away from Agartala-Shillong NH-44 highway. Therefore, the college is easily reachable.
- College is located in a comparatively pollution free, crime free and peaceful region. Hence an ideal place for learning.
- A clean, green and beautiful campus.
- The college is fortunate enough to have a group of highly energetic and student-centric faculty members. The college ensures strict discipline in the campus. Punctuality, persistence and dedication are valued here.
- The administrative mechanism is transparent.
- There is sufficient land area for building classrooms, office room, library, computer lab, garden, auditorium etc.
- The college campus is under CCTV surveillance.

- The college has an adequate water facility both supply and underground.
- There are active cells like Women's Cell, Anti-ragging Cell, ST-SC-Minority Cell, Internal Complaints Committee etc. to deal with respective problems.
- There is an Alumni Association but not registered under Societies Registration act 1986.
- The college is undertaking several extension activities in adopted village and surrounding areas.

WEAKNESSES:

Despite having run successfully for three decades, the college has still some short-comings. These are-

- Not having NAAC Accreditation is one of the major weaknesses of the Institution.
- Financial constraints are the biggest and foremost hurdle for the infrastructural development of the college.
- Limited number of permanent teaching faculties is also a major challenge.
- ICT equipped classrooms are yet to be developed.
- Since most students are from remote interior villages, there is lack of proper internet connectivity. It is one of the primary reasons for failure of online classes.
- Limited number of arts programme and also there is no Science and Commerce stream till date.
- There is provision for HONOURS only in three subjects- Political Science, Bengali and Economics.
- There is lack of proficiency in English language from the students' side leading to difficulties in understanding.

- There is no functional NSS and NCC unit in the college.
- There are lack of publication works and research activities from the college.
- National and International Seminars are yet to be organised by the college.
- There is shortage of classrooms.
- There is lack of adequate sports equipment and also both of playrooms and playgrounds.
- The college also suffer from frequent power-cuts leading to disruption of official and academic works.
- Lack of internet connectivity.

OPPORTUNITIES:

Despite being surrounded by several weakness and challenges the college has some opportunities which can be utilised in future with proper strategy and planning.

- The college is working out to sign MoU with some colleges. The institution hopes to conduct collaborate activities with other colleges in coming days.
- The institution has already gained reputation as the sole-provider of higher education in the vicinity of Katigorah Constituency. The institution seeks to expand its educational and academic activities in coming years.
- The college has opportunity for expansion in the field of research, particularly on local issues The College has scope for introducing inter-disciplinary subjects & courses.
- Satya Ranjan college is having an aim to start job-oriented add-on courses for local people and students as well.
- College has the opportunity to work more for expanding e-learning.

- The College has opportunity to conduct more extension activities for the all-round development of the institution, students as well as for the entire society.
- College has the opportunity to introduce more programmes in UG (arts) courses and also different skill development courses along with some science and commerce programs.
- There is ample scope for increasing industry linkages for student placement and also collaborations with national and international organisations for students' exposure to global trends.
- Geographically the college is situated in rural area and most of the student's taking admission in the college belong from BPL category. Many aspiring students passing from this institution could not get opportunity to pursue PG degree due to various social-economic reasons. Hence the College has opportunities to introduce more courses in UG and PG program under the distance learning programmes like IDOL, IGNOU, KKHSOU, etc.

CHALLENGES:

- The surrounding area of the college is affected by heavy flood every year, which poses a great challenge to maintain the academic environment of the college.
- Scarcity of funds for its infrastructural development to provide best facilities to its learners in order to make them globally competent.
- The problem of student's dropout is another major challenge of the college. As the majority of the students belong to families with lower socioeconomic background, the parents' priority is source of income. As a result, when parents feel their wards have become capable to work,

the focus shifts from studies to employment, this leads to drop out from college.

- To ensure placement to the students passing out from this institution.
- To motivate the students to pursue skill based self-financing courses due to lack of awareness and financial requirements.
- Preparing and motivating students for participation in co-curricular activities like game sports is a challenging factor due to the lack of interest and not having the post of PT teacher provided by the State Govt.

PERSPECTIVE PLANNING

With a view to bridge the gap between the shortcomings and available opportunities, a perspective planning has been undertaken by the IQAC in consultation with different stakeholders of the college. The primary objectives of the Perspective Planning are-

1. To act as a steering ship to take college towards achieving faster academic excellence.
2. To improvise the quality of comprehensive teaching-learning process.
3. To set a bench-mark in quality education in the State of Assam.
4. To provide better transparent and efficient administration.
5. To provide the best vocational education along with academic studies so that maximum skilled students are produced.

The perspective planning that will be implemented by the institution from 2017 onwards are-

Curriculum Planning:

- Preparation of Academic Calendar for the upcoming academic session.
- Inclusion of different days for observation / celebration in the Academic Calendar,
- Conduction of Orientation program annually for students both at department level and college level.
